## EDUCATION

### Indiana University

School of Public and Environmental Affairs

*Bachelor of Science in Public Affairs*

Major: Environmental Management

School of Public and Environmental Affairs Dean's List

**SPEA Abroad: Environmental Management in South Africa**

**Bloomington, IN**

**May 2018**

**GPA: 3.5/4.00**

**Spring 2017, Fall 2017, & Spring 2018**

**South Africa & Swaziland**

- Interpreted international wildlife regulations from the South African conservationist perspective to develop comprehensive policy ideas for maintaining wildlife in the United States
- Studied the conflict of water resource scarcity in South Africa, within the scope of the environmental impact of monoculture in a subtropical environment and the remaining racial tensions dividing the country

## EXPERIENCE

### The Davey Tree Expert Company

*Lawn Technician/Tree Trimmer*

**Indianapolis, IN**

**June 2018 – Present**

- Oversee every lawn client at Davey Tree Indianapolis in order to guarantee grass health, reduce weed growth, and ensure optimal customer service to establish long-term clientele
- Scrutinize chemical use and equipment functionality in order to reduce hazardous and financial waste
- Advise lawn clients and sales arborists to properly diagnose and treat turf to guarantee customer satisfaction

### Bloomington Food Policy Council (BFPC)

*Local Growers Network Development Intern*

**Bloomington, IN**

**September 2017 – May 2018**

- Designed recruitment strategies and outreach events with BFPC board members and leaders to effectively reach out to potential sponsors, members, and volunteers for the Urban Growers Network
- Spearheaded application processes for grants in order to subsidize maintenance efforts and increase capabilities
- Pioneered a volunteer program with urban growers to provide Indiana University students with an opportunity to participate in the production of local food in order to provide benefits to the community

### School of Public and Environmental Affairs

*Undergraduate Teaching Assistant*

**Bloomington, IN**

**January 2018 – April 2018**

- Stimulated discussions among students by introducing new perspectives and facts to solidify their arguments
- Integrated coursework and research to help students better grasp the information being presented
- Developed more complex planning abilities by taking on grading and office hours, which enabled the professor to designate more effort towards student development

### Starbucks Coffee Company

*Barista*

**Bloomington, IN**

**December 2017 – June 2018**

- Expedited wait times through multitasking between five different positions to increase customer satisfaction
- Coordinated with staff to provide a positive and memorable experience for customers in only a few minutes

## ACTIVITIES

### Indiana International School of Diving (IISD)

*Diving Coach*

**Westfield, IN**

**July 2019 – Present**

- Organize lesson plans for each practice, while developing competitive lists that challenge the divers to capitalize on their strengths and enhance their weaknesses
- Modify workout regiments throughout the season to enhance technique and avoid stifling progression
- Cultivate the diversity of skills and talents present on the team to foster personal growth and team bonding

### Indiana University Student Association (IUSA)

*Congressman*

**Bloomington, IN**

**December 2017 – May 2018**

- Debated the legitimacy of bills presented to create policy that benefited Indiana University students
- Lobbied in favor of student constituents whom I represented in the Indiana University student government to promote a marketplace of ideas within the university
- Negotiated and wrote environmental policy through participation within the Sustainability Committee

## SKILLS

**Computer:** Microsoft Office (Excel, Word, Access, Outlook), Ableton Live 9.0, Adobe Suite, ArcMap
